

Quickest, Surest Cough Remedy is Home-Made

Easily Prepared in a Few Minutes. Cheap but Unequaled

Some people are constantly annoyed from one year's end to the other with a persistent bronchial cough, which is wholly unnecessary. Here is a home-made remedy that gets right at the cause and will make you wonder what became of it. Get 2 1/2 ounces Pinex (50 cents worth) from any druggist, pour into a pint bottle and fill the bottle with plain granulated sugar syrup. Start taking it at once. Gradually but surely you will notice the phlegm thin out and then disappear altogether, thus ending a cough that you never thought would end. It also loosens the dry, hoarse or tight cough and heals the inflammation in a painful cough with remarkable rapidity. Ordinary coughs are conquered by it in 24 hours or less. Nothing better for bronchitis, winter coughs and bronchial asthma. This Pinex and Sugar Syrup mixture makes a full pint—enough to last a family a long time—at a cost of only 54 cents. Keeps perfectly and tastes pleasant. Easily prepared. Full directions with Pinex.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, rich in quaiacol, and is famous the world over for its ease, certainty and promptness in overcoming bad coughs, chest and throat colds.

Get the genuine. Ask your druggist for "2 1/2 ounces Pinex" and do not accept anything else. A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. The Pinex Co., Ft. Wayne, Ind.

EAST CALAIS**Mrs. Anna M. Bugbee's Death Caused by Diphtheria.**

The community was saddened by the sudden death of Mrs. Anna M. Bugbee, which occurred Dec. 3. She was ill only a few days with diphtheria. Every effort was made to combat the disease, but her strength failing, she passed away Friday evening. Anna Huntton was born in Plainfield, Sept. 13, 1875. She was married to Chester W. Bugbee Nov. 23, 1897, going to the home where she had since resided. She leaves besides her husband one son, Willard, a sister, Mrs. Maude Harris of Marshfield, and two brothers, Lewis of Plainfield and Walter of Hyde Park, Mass.; also an aged aunt, who has long been an inmate of her home. Though quiet and domestic in her habits, she will be greatly missed in the church and the two societies of which she was a member, besides the large circle of friends and neighbors. Burial was in Fairview cemetery. A memorial service was held in Union church Sunday, Dec. 12, Rev. C. H. Chapin of Marshfield officiating.

COURT SHOWS IMPATIENCE**Government Too Slow in the Trial of the New Haven****MELLEN AGAIN ON THE STAND****He Once More Appears as a Witness in the New York Hearing**

New York, Dec. 14.—Questions of competition and rates occupied the redirect examination of Charles S. Mellen by government counsel at the resumption yesterday of the trial of William Rockefeller and his 10 codefendants, former directors of the New York, New Haven & Hartford railroad, charged with criminal violation of the Sherman anti-trust law.

R. L. Batts, the federal attorney, wanted to know if rates on the roads prior to the time when the witness retired, had not been advanced. To this the defense objected, pleading that railroad rates were now governed by the interstate commerce commission, not by competition.

Mr. Batts contended that the defense had cited advantages which the New Haven had conferred on the industry of New England and that he wanted to show that "results in New England have not kept pace with development elsewhere in the United States."

The question was admitted and the witness said that a number of through rates had been advanced, but that the general average was lower.

On the question of competition between the New Haven and the Boston & Maine, the witness would not concede that any substantial competition existed when the New Haven acquired the road.

Judge Hunt took occasion yesterday to chide the government for the length of time it was taking in developing its case.

"It seems to me," he said, "that the larger portions of the case have been sufficiently developed. We must get through."

Mr. Batts also elicited testimony that at the time Attorney General Wickham withdrew the Sherman law suit against the New Haven in 1900, the witness had given him no information as to the New Haven's transactions with the Billard company on which light has been thrown in this case.

The witness thought, however, that full information in the matter was in the possession of the commissioner of corporations. The witness denied that there was any plan "that the attorney general was to be told that the Boston

PARK THEATRE.**Twenty Thousand at "Carmen" Bull-Fight.**

For the filming of the bull fighting scenes of "Carmen," in which Geraldine Farrar, the celebrated opera prima donna appearing for the Jesse L. Lasky Feature Play Co., a special permit was granted by the mayor of Los Angeles, and the occasion made the official public reception of Miss Farrar to the city.

Twenty thousand people, all in Spanish costume, lined the sides of the arena. Miss Farrar was welcomed by

the mayor, Charles F. Sebastian. Several bull fights were then given in her honor by the professional torreadores before the filming of the scenes for the

production which will be seen here. During the taking of these scenes, one of the bull fighters was tossed in the air by the bull and then thrown on the ground, apparently gored to death, before the eyes of all present. The other torreadores drove the bull away and the professional leaped to his feet apparently unharmed. He was brave enough to bow to the cheering thousands before falling unconscious in the arms of a companion.

The feature film, "Always in the Way," featuring Mary Miles Winter, will be shown first at the matinee. In the evening Geraldine Farrar in "Carmen" only. Patrons are requested to be in their seats promptly at 7 o'clock or 8:30.—adv.
